

## *KNEELING DOWN, ORDAINING*

*Kneeling down, ordaining  
a goat and a dream.*

*Glu, glu, glu,  
is the sound the milk makes  
when it falls into the bucket.  
In the light blue sky it will be sunrise.*

*Glu, glu, glu.  
The foam smells up  
with a fine mist.*

*Kneeling down, ordaining  
a goat and a dream.*

*Miguel Hernández*
