

THE LIZARD IS CRYING

The male lizard is crying
The female lizard is crying.

The male lizard and the female lizard.
in small white aprons.

They've lost by accident
their wedding rings.

Oh, their little lead rings!
Their little ring covered in lead!

A large sky and without people
carries the birds in his balloon.

The sun, round captain
is wearing a satin vest.

Look, how old they are!
How old the lizards are!

Oh, how they cry and cry!
Oh!, Oh!, how they are crying!
