

The Laugh

A laugh is welcomed,
that leaves happiness
wherever it goes!
Laugh comes
with your cousin smile.
Laughing is like eating
-healthier than ham-
We have to laugh every hour
-that's the recipe-.
Oh, what a laugh!, Aunt Felisa,
her shirt flies!
(a laugh is very good
for your chest).
Whoever goes smiling
goes better than in a car.
Whoever laughs during the day,
sleeps well at night.
